Subject: Request for Additional Police Personnel for Dhol Procession on 26th September, 2023

Respected Sir,

I hope this letter finds you in good health. I am Ganesh Kumar Agarwal, the President of Om Ganeshaye Committee, located near Marwari Panchayat Dharamshala in Rajgangpur, Odisha.

I am writing to bring to your attention an important event that our committee is organizing. We have planned a grand Dhol procession, scheduled to take place on 26th September, 2023.

This procession holds significant cultural and traditional value for our community, and we anticipate a substantial turnout of participants and spectators.

What makes this event even more special is the participation in-total of 60 people out of which there are 12 female members who are all traveling all the way from Wardha, Maharashtra, to be part of this celebration. Their presence adds great cultural diversity and meaning to our procession.

In light of the expected large gathering and to ensure the safety and security of all participants, especially our guests from Wardha, I kindly request your support in providing a few extra police personnel to help manage and supervise the procession. These additional officers would play a crucial role in crowd control, traffic management, and overall safety during the event.

I understand the demands on your department's resources and the importance of maintaining law and order in our community. I assure you that we will cooperate fully with the police department to ensure that all necessary arrangements are made to facilitate a peaceful and enjoyable event.

I kindly request you to consider our appeal and allocate the required police personnel for the specified date and time. Your support in this matter will be greatly appreciated by Om Ganeshaye Committee and the entire community.

Please feel free to contact us at +919438528509 for any further details or information you may require regarding the event.

Thank you for your attention to this request, and I look forward to your positive response.

Sincerely,

Ganesh Kumar Agarwal
