Subject: Apology and Request for Permission to continue to use Loudspeakers

Respected Sir,

I hope this letter finds you in good health and high spirits. I am writing on behalf of the Om Ganeshaye Committee, Rajgangpur, and I am deeply regretful to bring to your attention an inadvertent oversight on our part.

From the 19th September 2023, Ganesh Chaturthi festival, our committee organized celebrations that involved the use of a sound system. Unfortunately, we did not obtain prior permission from the Sub-collector's office to use loudspeakers during these events. This oversight occurred due to the unique circumstances surrounding the festival season, including the office's closure due to Nuakhayi and Ganesh Chaturthi festival.

I would like to express our sincere apologies for this lapse in complying with the necessary regulations. We deeply value the peace and tranquility of our community and acknowledge that adhering to sound regulations is essential to maintaining it.

In light of this, I kindly request your understanding and permission to use loudspeakers during the evening hours when our Ganesh Puja celebrations are taking place. We assure you that we will strictly adhere to the prescribed sound levels and time restrictions to ensure that our celebrations do not disrupt the peace of the area.

We understand the importance of law and order, and we are committed to working in harmony with local authorities to ensure that our festivities are enjoyed by all while maintaining the highest regard for the rules and regulations in place.

Once again, we apologize for any inconvenience caused and sincerely hope for your understanding and permission to continue our celebrations in a manner that is considerate of our neighbors.

Thank you for your attention to this matter. We look forward to your positive response at your earliest convenience. If you require any further information or need to discuss this matter, please do not hesitate to contact me at +919438528509.

Yours sincerely,

Ganesh Agarwal
